

Volume 4, April 2018

FROM THE PRESIDENT

Dear Harcourtians,

It is known that the technical education of the country has expanded significantly and around 1.5 million students seek admission in undergraduate programmes every year. Such a surge in the number has increased the requirement of vocational training & internship to these budding engineers. There is no doubt that the trainings & internships play significant role in the qualitative improvement of technical students. But the large number of technical students has really made it quite difficult for the public institutions in particular to ensure good internships and project-based trainings for them. In the prevailing circumstances, all technical professionals need to realize their responsibility towards the quality enrichment of the upcoming younger generation.

Therefore, I humbly wish to call upon the Harcourtian fraternity to please come forward and volunteer for extending all possible opportunities of internships and project-based trainings as available with them to the prospective alumni of our alma mater.

Alumni Association sincerely looks forward for meaningful support from all in the service of their Alma Mater.

Prof.(Dr.) Onkar Singh
President, Alumni Association

ALUMNI AFFAIRS

The Alumni Association is taking multiple steps to ensure that a wider HBTU community gets built which develops into a thriving ecosystem for alumni to collaborate to create & pursue projects for the larger good of the country.

- The Executive Committee has been working to make the Alumni Association Website more secure to address the concerns of Harcourtians. We are happy to inform that now your alumni association website is secured. Kindly feel free to communicate and register yourself on the website as the integrity of your data is taken care of.
- Seeing the increasing interest of alumni members, the Executive Committee expanded the Newsletter Editorial Team. It is to ensure that experienced persons from wider field bring more content and richness in our endeavors to make Newsletter more meaningful to the Alumni. It would also help in disseminating relevant information to achieve the objectives of the association.
- The beta version of Alumni Mobile App (Andorid Phone and iPhone) has been initiated for a trial. The

ASCPC STUDENT AFFAIRS

- **Talk on “How to give an effective presentation”**

ASCPC organized talk for the development of the **art of giving an effective and interesting presentation** on 20 April 2018 in Rajiv Aga Memorial Hall by Dr. Onkar Singh.

- **Web Design Workshop**

A web design work shop was organized by the ASCPC for students of HBTU through Mr. Shubham, III B.Tech. CSE. Around 45 students participated.

- **Presentation on “How to get meaningful Internships”**

LETTER TO THE EDITOR

Thanks!!!for providing the Vol-3 of newsletter. It was nice to know many happenings in our Institute. Even the feedback provided by some of us have found their place in the newsletter. This gives a positive sign that team is responsive. I CONGRATULATE all the team members but would like to mention that there are many spelling mistakes in this volume of newsletter; perhaps the proof reading could not be done. Nevertheless, an appreciable effort, please keep it up.

Mr. K. K. Tiwari, 1991 ME

Very nice info compiled in short. Keep it up.

Mr. Santosh Kumar Verma, 1991 ET

OBITUARY

HBTU family lost Mr. Ashish Verma (1997 BIO TECH) on 25th April in Massachusetts, USA. He is survived by his wife Sucheta. His parents are living in Allahabad and in laws in Delhi. The Alumni Association expresses its deepest condolence on this untimely demise of a bright young alumnus.

APPEAL

Alumni Association has recently updated its website and is setting more structured, bi-directional interaction channel with our Alumni. This newsletter is one such way of regularly connecting with our alumni.

Here is another edition of the newsletter. This is an effort to connect all of us who have left the institute many years back with what is happening in the alma mater so that we may contribute to regaining its eminence and also enhancing it with our combined wisdom. We hope reading this inspires you to get connected with this initiative in a more involved manner. May we request all of you to send the newsletter far and wide so that more and more of our alumni get connected.

In order to receive periodic communication, we urge you to kindly register yourself at alumni website :
